Hi Sirese,

I have attached a simple floor drain location map that was submitted with the most recent application. I have not found any process flow diagram in the records for this facility and this will be something I pursue in the future. Please reach out to the facility for this information at this time.

Thank you,
David

Hi David,

Do you have a process flow diagram for Pacific Choice Seafood? Section E of the permit application asks for the facility to submit a flow diagram, but I didn't see one. I can also reach out to the facility if you don't have it.

Thanks!
Sirese

Sirese,

Let me know if you are looking for anything else. I will work on sending the requested documents for Lost Coast Brewery and you should receive them today.
